Be On Time!

We will meet outside of the Convention Center and watch the Prior CGA Team's Performance.

Athletes need to be Competition Ready at Meet Time!

That means Full Uniform, White Socks, Hair done with Bow in, Make Up done and either a Black or CGA Mask.

Please bring a **Ziplock Bag** labeled with **your name**, so that the coaches can keep your masks while you warm up and perform.

They are asking us to **NOT have back packs at warm ups.**

Masks are Required for Everyone at All Times

The only exception is the Athletes while they are on the practice or competition floor.
